Dear Mr. Lehrer,

This is in response to your letter of March 13 to Mr. Colby. I can report, without fear of contradiction, that Mr. Colby enjoyed immensely the Homestead meeting.

I talked over with him the matter of appearing on "Washington Straight Talk".

He understands well the point you have made a number of times, the possibility of developing a theme over the uninterrupted 30 minutes format you have on the show.

The Director's appearance on the air is bound to come, I feel sure. He leans toward it more and more. But the exact moment has not arrived yet. He will give, I am sure, the utmost consideration to your kind offer if it is still standing when he feels the proper time has arrived.

Sincerely,

/s/ Angus MacLean Thuermer
